Clifton H. “Kip” Hawkins Remembered

March 21, 1918-September 20, 1989

His dedication to duty and service to community is a continuing legacy to us all.

Lifelong resident of this town, Kip lived just down the road from where he began life 71 years ago. He was very proud of that.

Through those years he nurtured the lives of many; through neighborliness, lasting friendship and uncompromised loyalty, he saw his community as a natural extension of family.

There was nothing transient about what Kip stood for. He was always “in service” to assist others during a time of need. There was something very reassuring when he would suddenly appear at a flood or fire. Somehow, each of us sensed, things were in good hands.

Never at a loss for the right words or a little levity under the most stressful of situations, Kip’s brand of humor, coupled as a rare mix of classic Yankee understatement and self effacement, lightened the burdens of so many around him.

But the longest lasting legacy Kip leaves to this town, the town he loved so much, surely will be his fifty-seven years of unfailing dedication to the Fire Department of which he was a charter member and its chief for three decades. It was his life’s cause and we shall long remember what he has given each of us.

Holderness Town Warrant 1990

The State of New Hampshire

To the inhabitants of the Town of Holderness in the County of Grafton and State of New Hampshire qualified to vote in Town affairs;

You are hereby notified to meet at the Town House on Tuesday the thirteenth of March next, at ten o'clock in the forenoon, at which time the polls shall be opened and shall not close earlier than seven o'clock in the afternoon to act upon the following subjects, the third and subsequent articles to be acted upon commencing at seven o'clock in the evening of the following day, the fourteenth day of March, in the auditorium of the HOLDERNESS CENTRAL SCHOOL

ARTICLE 1: To choose all Town Officers by official ballot.

ARTICLE 2: To see if the Town will vote by official ballot on the amendments to the existing Zoning Ordinance as proposed.

ARTICLE 3: To accept the report of all Town Officers and Committees.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of one hundred twenty five thousand dollars (\$125,000) for the purpose of purchasing the land and building (Roger Gage property) adjacent to the fire station (tax map 5A lot 89A) to be used by the Fire Department and authorize the Board of Selectmen to issue notes not to exceed sixty-five thousand dollars (\$65,000.) and the balance to be raised by taxes.

ARTICLE 5: To see if the Town will vote to change the grange representative on the Town Hall Committee from Master of the Grange to the Master of the Grange or his/her designee.

ARTICLE 6: To see if the Town will note to authorize the Planning Board to review and approve or disapprove site plans for the development, change or expansion of use of tracts for non-residential uses or for multi-family dwelling unit development, as per RSA 674:43-44.

ARTICLE 7: To see if the Town will vote to designate and proclaim April 22, 1990 as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." (By petition)

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to meet the requirements of RSA 442-A in reference to the impounding of dogs.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of twenty six hundred dollars (\$2600.00) for the support of hospitals (LRGH \$600.00), (SSMH \$1000.00), (Concord Hospital \$500.00), (Dartmouth-MHMH \$500.00)

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of one thousand four hundred ninety-seven dollars (\$1497.00) to assist in maintaining the services of the Grafton County Senior Citizens Council.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of two hundred dollars (\$200.00) to assist in maintaining the services of the Plymouth Area Task Force Against Domestic Violence.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of six hundred thirty dollars (\$630.00) to assist in maintaining the services of the Community Action Program.

ARTICLE 13: To see if the Town will vote to discontinue the Capital Reserve Fund established for the Beach Septic System and Pemi Regional Police Dispatch Center. Said funds with accumulated interest to date of withdrawal to be transferred to the Town’s general fund.

ARTICLE 14: To see if the Town will vote to raise and appropriate a sum to be placed in Capital Reserve and invested until needed for purchasing the following:

Police Cruiser	\$10,000
Fire Truck	15,000
Highway Truck	7,500
Total	<u>\$32,500</u>

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of seventy-four thousand dollars (\$74,000) for revaluation of the town and authorize the withdrawal of thirty-three thousand (\$33,000) from the Capital Reserve Fund created for that purpose.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) for a police cruiser and authorize the withdrawal of eight thousand seven hundred dollars (\$8,700) from the Capital Reserve Fund created for that purpose.

ARTICLE 17: To see if the Town will vote to authorize the Selectmen to act as agents for the following Capital Reserve Funds: Revaluation, Fire Truck, Police Cruiser and Highway Truck.

ARTICLE 18: To see what sum of money the Town will vote to raise and appropriate and if the Town will make any alteration in the amount of money required for the support of the Town as recommended by the Budget Committee in its report.

ARTICLE 19: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

ARTICLE 20: To see if the Town will authorize the Selectmen to administer, lease, sell, convey or otherwise dispose of any real estate acquired by the Town by any Tax Collectors deed in accordance with the provisions of RSA 80:42.

ARTICLE 21: To see if the Town will authorize the Selectmen to apply for, accept and/or expand, without further action by the town meeting, money, land and/or interests in land from the state, federal or other government unit or a private source which becomes available during the fiscal year in accordance with procedures set forth in RSA 31:95-b.

ARTICLE 22: To see if the Town will vote to adopt semi-annual tax billing as per RSA 76:15-a. To be effective in the calendar year 1991.

ARTICLE 23: To transact any other business that may legally come before the meeting.

Given under our hands this 23rd day of February in the year of our Lord nineteen hundred and ninety.

Willis H. Holland, Chairman
Paul Rheinhardt
Susan Webster

Town of Holderness, N.H.

Town Meeting - March 15, 1989

Minutes

At the annual Town Meeting of the Town of Holderness held on March 14, and March 15, 1989, the following business was transacted.

At 10:00 AM on Tuesday, March 14, 1989, at the Holderness Town Hall, the Moderator, Ross V. Deachman convened the meeting and started the reading of the warrant. After reading Articles 1 and 2, the Moderator declared the polls open. Shortly after 7:00 PM the polls were closed, ballots counted, results announced and winners declared by the Moderator.

At 7:06 PM on Wednesday, March 15, 1989 at Holderness Central School the meeting resumed. Moderator Ross V. Deachman designated the unregistered voters to the bleachers for seating. A moment of silence was then asked for the residents of Holderness who had passed away during the year of 1988.

ARTICLE 3: relative to accepting the report of all Town Officers. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. Motion carried by voice vote.

ARTICLE 4: relative to accepting Locust Drive as a Town Road. Mrs. Olive Staples moved, Mrs. Sue Montour seconded. Road Agent Lyle Thompson recommended the road be sealed. An estimation of \$1,500.00 for this process was given by Lyle Thompson. Motion was passed by a voice vote.

ARTICLE 5: relative to accepting Bob House Road as a Town Road. Mr. James Cole moved, Mr. Tink Taylor seconded. Mr. James Cole informed the Town that he was one of nine homes on this road, and that this road was built by Ambrose Corp. under the watchful eyes of Lyle Thompson in the year of 1987. The road was also built to selectmen's specifications, and approved by the Wetlands and State Conservation Commission, and also by RSA:148A. After some discussion the motion was passed by voice vote.

ARTICLE 6: relative to accepting a private road in the Pemi River Heights subdivision. Mrs. Olive Staples moved, Mr. Bart Merrill seconded. After the road was discussed as to whether or not it was a driveway Article 6 was unanimously defeated.

ARTICLE 7: relative to decreasing the number of Library Trustees from six to five. Mr. Tink Taylor moved, seconded by Earl Hansen. Motion was passed by voice vote.

ARTICLE 8: relative to raising and appropriating the sum of \$300.00 in reference to the impounding of dogs. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. Motion was passed by voice vote.

ARTICLE 9: relative to the Town raising and appropriating the sum of \$2,600.00 for the support of hospitals. Mr. Earl Hansen moved, seconded by Tink Taylor. Mrs. Olive Staples had a question as to whether or not Speare Memorial was included. Moderator Ross Deachman assured her that it was. The motion was passed by voice vote.

ARTICLE 10: relative to raising and appropriating the sum of \$1,426.00 to assist in maintaining the services of the Grafton County Senior Citizens Council. Mr. Tink Taylor moved, Mr. Earl Hansen seconded. It was pointed out that the Town of Holderness has benefited from the program in the amount of \$20,416.00, due to the Meals on Wheels program. The Moderator asked if this was their primary function, and was affirmed of this. Motion was passed by voice vote.

ARTICLE 11: relative to raising and appropriating the sum of \$250.00 to maintain and continue the system of services of the Inter-Lakes Day Care Center. Moved by Mr. Tink Taylor, and seconded by Georgene Fabian. The question was raised as to how many people in the Town of Holderness actually use this. Selectmen responded by saying that two residents do in fact benefit by this. The motion was passed by voice vote.

ARTICLE 12: relative to raising and appropriating the sum of \$200.00 to support the Plymouth Area Task Force Against Domestic Violence. Mr. Earl Hansen moved, seconded by Tink Taylor. Motion was passed by voice vote.

ARTICLE 13: relative to raising and appropriating the sum of \$6,595.00 to assist in maintaining the services of the Pemi Baker Home Health Agency. Mr. Earl Hansen moved, seconded by Mrs. Olive Staples. Motion was passed by voice vote.

ARTICLE 14: relative to raising and appropriating the sum of \$500.00 to support the services of the Tri-County Community Action Program. Mr. Earl Hansen moved, seconded by Tink Taylor. Olive Staples wanted to know what this was. Selectman Roger Gage responded by saying the fuel assistance, surplus food, and CMS Companions (emergency buttons) are supplied through this program. Mr. John Merrill wanted to know why we are the ones who supply the fund when the Federal Government does this. Mr. Tink Taylor explained that indeed the Federal Government does fund this program, but also asked towns to put in a share also. Motion was passed by voice vote.

ARTICLE 15: relative to authorizing the selectmen to administer, lease, sell, convey, or otherwise dispose of any real estate acquired by the town by any tax collectors deed in accordance with the provisions of RSA 80:42. Mr. Tink Taylor moved, seconded by Earl Hansen. Motion passed by voice vote.

ARTICLE 16: relative to the town authorizing the selectmen to apply for, accept and expend without further action by the town meeting, money from the state, federal or other government unit or private source which becomes available during the fiscal year in accordance with procedures set forth in RSA 31:95-b. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. Motion passed by voice vote.

ARTICLE 17: relative to authorizing the Trustees of Trust Funds to withdraw from Capital Reserve, the money, plus accrued interest that has been placed in Capital Reserve for a fire truck. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. Motion was passed by voice vote.

ARTICLE 18: relative to raising and appropriating a sum of \$45,000.00 to be placed in Capital Reserve and invested until needed for purchasing the following: Police Cruiser, Revaluation of Property, and a Highway Truck. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. A question from the floor as to when the revaluation is to be done. Selectman Roger Gage replied that it was to be determined, but would like to see it done in 1990. Other inquiries were made from the floor in regards to the dollar amount involved. Selectman Roger Gage furnished all explanations and the Article was carried in the affirmative by a voice vote.

At this time Selectman Willis H. Holland and the Moderator Ross V. Deachman stepped down. Mr. Tink Taylor presided as moderator. The reason given for stepping down is because of a conflict of interest on Article 19.

ARTICLE 19: relative to raising and appropriating the sum of \$25,000.00 to be applied to the town's share of upgrading Perch Pond Road. Mrs. Olive Staples moved, and Mr. Earl Hansen seconded. Many questions ensued. Selectman Roger Gage gave a history on the developer up to the present time. There were many requests for information as to how figures were determined. After a lengthy and sometimes heated discussion the article was moved by Earl Hansen and seconded by Mrs. Wolf to vote to cut off all debate. A two-thirds vote took place and by voice vote was affirmed. The vote on Article 19 was taken and defeated unanimously by voice vote.

ARTICLE 20: Omission, numerical error.

ARTICLE 21: relative to raising and appropriating the sum of \$5,000.00 for an engineering study to be used for the Capital Improvements Program and Transportation Improvements Program. Mr. Earl Hansen moved, Mr. Tink Taylor seconded. Motion was carried by voice vote.

ARTICLE 22: relative to raising and appropriating the sum of \$7,000.00 for the purchase of a tow behind broom for the Highway Department. Mr. Hansen moved, Mr. Tink Taylor seconded. Mr. Hayes wanted to know what the condition of the old broom was in, and was told that the broom was worn out. Motion was carried in the affirmative by voice vote.

ARTICLE 23: relative to raising and appropriating the sum of \$140,000.00 for the purchase of a new fire truck with authorization to withdraw \$125,000.00 from the Capital Reserve established for this purpose. Mr. Earl Hansen moved, seconded by Richard Currier. Mr. Richard Mardin went on to explain how the Fire Department would reconstruct the fire station in order to make room for the new vehicle. After inquiries from the floor were satisfied the article was passed by voice vote.

ARTICLE 24: relative to raising and appropriating the sum of \$19,000.00 for fire station improvements. Mr. Earl Hansen moved, seconded by Richard Currier. There was some confusion as to the figure being voted on. The moderator assured the Town that \$19,000.00 indeed was the figure being voted on. Motion was passed by voice vote.

ARTICLE 25: relative to authorizing the selectmen to borrow in anticipation of taxes. Mr. Richardson Blair moved, seconded by Mr. Tink Taylor. Motion was passed by voice vote.

ARTICLE 26: relative to authorizing the selectmen to act as agents for the following Capital Reserve Funds: Fire Truck, Police Cruiser, Highway Truck and Revaluation of Property. Moved by Selectman Roger Gage, seconded by Mr. Earl Hansen. Motion was passed by voice vote.

ARTICLE 27: relative to the amount of money to be raised for the support of the town. Amount of money being \$1,099,471.00. Moved by Mr. Samuel Laverack, seconded by Mr. Earl Hansen. Sandy Heath asked if the calculations on the diagrams, and also the computations of tax rate could be explained. Selectman Roger Gage explained both of these at length. Motion was passed by voice vote.

ARTICLE 28: relative to any other business. The moderator and selectmen, and Police Chief Darryl A. Zampieri recognized the outstanding service Alisoun Hodges has given to the town over the past several years as Town

Clerk. The Moderator went on to say that Alisoun certainly made his job much easier and is sure Selectman Roger Gage would like to speak, and in his words said: "I would like to ask every one at the meeting to give a rising vote of thanks to Alisoun Hodges who has been, as you all know, our Town Clerk of a number of years and had done a very efficient job, in that capacity." "No question about it." "I think it's only appropriate that we give her a rising vote of thanks for a job well done." (Standing Ovation)!!!! On a motion by Mr. Earl Hansen, seconded and voted in the affirmative, the meeting was adjourned at 9:08 PM.

Respectfully submitted,
Claudia Goodwin
Town Clerk

Audit Statement

We have audited the financial statements of the Town of Holderness, New Hampshire for the year ended December 31, 1989, and have issued our report thereon dated February 12, 1990.

In planning and performing our audit of the financial statements of the Town of Holderness, New Hampshire for the year ended December 31, 1989, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Holderness, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objective of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use of disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

- Budget
- Cash and investments
- Revenue and receivables
- Expenditures for goods and services and accounts payable
- Payroll and related liabilities

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

A material weakness is a condition in which the design or operation of one or more of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material to the financial statement may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all conditions that are considered to be material weaknesses as defined above. However, our study and evaluation disclosed no condition that we believed constitutes a material weakness.

This report is intended for the information of management, and the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Vachon, Clukay & Co., PC

Report of Selectmen

1989 was again a year of many changes. We bid a fond farewell to Roger Gage. All town officers will miss his guidance and knowledge from years of experience as Selectman. We welcomed his replacement, the town's first lady selectman, Susan Webster.

After 13½ years with the Holderness Police force, Darryl Zampieri resigned to take a position with the Hanover Police Dept. The town was fortunate to have had him on the force and we wish him best of luck for the future. Our new Chief, Norman Scott Weden, has been in law enforcement since 1980, serving in the towns of New Hampton, Ashland and Holderness. We look forward to working with him.

Our Municipal Secretary, Sandy Heath, accepted the job as Town Administrator in August. 1990 will be the first full year for her to work with all departments: supervising budgets, developing centralized purchasing and establishing personnel policies and job descriptions as well as handling day to day town functions. We welcomed Beverly Gillespy as Municipal Secretary, she is doing a marvelous job in the office and helping various boards. We are trying to keep our local government a small town government, yet be efficient and effective.

The Selectmen, Administrator, Department heads and the Budget Committee have been working to keep the budget under control. With the tax rate in mind, we are still making progress by purchasing new equipment, continuing the program for replacing trucks and cruisers, and initiating the Transportation Improvement Plan (TIP) by placing funds in the budget for reconstructing a portion of a town road, this year beginning with Coxboro Rd.

With the help of Chief Weden, we have established a working relationship with PSC Security enabling them to cover college functions held in town. This will free the Holderness officers of that responsibility and save tax dollars.

Susan Webster and our Administrator developed a Solid Waste Management Plan as was required by the State of N.H. Dept. of Environmental Services. This enabled us to become a single town solid waste district, ensuring the town will have control over our future solid waste plans and budget.

We finalized a contract with Apple Appraisal Inc. to do the revaluation of the town. Groundwork for the project has already begun and the entire revaluation will be done by September.

We encourage the towns people to become involved in all forms of local government, town and school, by serving on boards or attending meetings and public hearings. We would like to thank the town officers, members of the committees and boards, and all employees for their cooperation and efforts this past year.

Respectfully submitted,
Willis Holland, Chairman
Paul Rheinhardt
Susan Webster

Report of the Town Hall Committee

In 1989 the committee lost two of its members, Roger Gage and Kent Smith. Both contributed freely their time and energy to maintain and develop the Town Hall to its current condition. Two capable members, Steve Szabidics and Jeff Cripps, have been appointed to the committee.

With the insulation and heating of the upstairs completed, the use of the building has more than doubled over last year. With that in mind, maintenance items have been included in the budget to keep the building safe and usable.

Sandy Heath
Administrator

Report of the Grafton County Senior Citizens Council, Inc. Statistics for the Town of Holderness

October 1, 1988 - September 30, 1989

Number of Senior Holderness residents served: 38 (of 251 over 60; 1980 Census)
Number of Holderness Volunteers: 13; Number of Volunteer Hours: 1,312.
GCSCC cost to provide services for Holderness residents only \$17,215.67

Request for Senior Services for 1989	\$ 1,426.00
Received from Town of Holderness for 1989	\$ 1,426.00
Request for Senior Services for 1990	\$ 1,497.00

In addition to the above services, the Grafton County Senior Citizens Council, Inc. mails out a monthly newsletter to approximately 3 Holderness addresses.

Report of the Holderness Police Department

In December 1989, Chief Darryl Zampieri resigned from the Holderness Police Department to take a position with the Hanover Police Department. Zippy devoted 13½ years to serving the town and he will indeed be missed. We wish him all the best in his new endeavor. The Department also lost Joe Chivell and his wife Kelley, who was our secretary. Joe and Kelley have moved to the Lincoln area, where Joe has joined the Lincoln Police Department. Joe and Kelley have our best wishes, too.

Our staff now consists of four full time and four part time officers. Sergeant Bart Merrill and Patrolman Ty Gagne continue with the Department. Their aid and experience make my job as Chief easier and more pleasant, and I thank them for their continued assistance. We welcome again George Faran as our fourth full time officer. He will be a familiar face to some people since he was a part time patrolman in Holderness a few years ago. Special Officers are Carolyn Beard, Gary Mack (who is also our firearms instructor), and two young officers who are new this year: Greg Bavis and David Mack. Alisoun Hodges has returned to fill in as part time secretary.

Although we are currently operating with one officer less than usual, it is my expectation that we can continue with a four person department, using Special Officers to cover four weekend shifts per month and to fill in for any illness or other absences. We would anticipate regaining the fifth full time position starting July 1991.

As Chief of Police, it is my aim to be visible and easily accessible to the people of Holderness. I maintain regular office hours, 9 to 5, five days a week. I hope people will feel free to stop in at their Police Department, say hello, and discuss any concerns they might have. It is my hope that we can all work together in a cooperative, productive manner to insure that Holderness remains a safe and pleasant place to live.

Respectfully,
N. Scott Weden
Chief of Police

Report of the Overseer of Welfare

Health problems and unemployment sent 20 families to apply for assistance. After interviews, we gave aid to 15 families or 39 people. Although all applicants are informed they are expected to reimburse the town, only \$600.00 has been received. My 1989 budget was expended by November, therefore, I am asking to more than double that figure for my 1990 budget.

The Plymouth Community Closet and the Laconia Elks provided food baskets during the holidays. A few special Holderness ladies collected and wrapped presents, mostly toys, spreading Christmas cheer to needy families. My heartfelt thanks to them all.

Respectfully submitted,
Laura Heath

Fifty-Seventh Annual Report of the Holderness Fire Department

The passing of Kip Hawkins this past year signalled the end of an era for the HFD. Kip was a charter member of our Fire Company when it was founded in 1932; his 57 years of service include stints as Captain, Deputy Chief, Forest Fire Warden, and 30 years as Chief. He brought great knowledge, dedication, and leadership to his duties within Holderness, but he didn't stop there. Recognizing the need for a formal, organized bond of cooperation between towns in central New Hampshire, back in the 1950's he helped organize the Lakes Region Mutual Fire Aid Association (now 32 towns) and became its first Chief Coordinator in 1971. A December '89 letter from LRMA to the HFD mentions that "Kip generously gave his time and knowledge to many firefighters throughout New Hampshire and the Northeast. His 'Barn Yard' course was a classic in basic pumping." It is very rare for any town to benefit from such long and dedicated service as Kip has provided us; it was an honor to serve with him and he will be missed greatly by us all. In closing out the "Kip Hawkins era" two other items deserve mentioning: Kip's brother Ken now is our last active charter member and he still serves as our treasurer. Secondly, another former member of the HFD passed away in '89 — Kent Smith.

The good news for Holderness about the leadership void left by Kip's passing is that we already had an eminently qualified replacement in our ranks — Dick Mardin. Being the third generation of Mardins in the fire service, Dick has always had firefighting "in his blood." His 25 years of experience in the HFD include the positions of Captain, Forest Fire Warden, and 19 years as Assistant Chief. Dick's years of working as a millwright and mechanic are also valuable to our Department in many ways. Dick is well known and respected throughout the Lakes Region Mutual Aid system — the townspeople of Holderness are fortunate to have him as their new Fire Chief.

Our run summary for 1989 shows a very busy year with 151 calls for assistance from 12/1/88 through 11/30/89 and 10 more calls in Dec., '89. (We are including 13 months in this report so we can change to the calendar year in 1990.) Medical Emergencies dominate our runs with 70 plus 9 other instances of personal injury involved with motor vehicle accidents. The HFD currently has 4 EMT's and 5 "First Responders" to supervise at these medical calls. The medical personnel have monthly training sessions plus recertification courses and yearly run critiques by the Medical Director at Speare Memorial Hospital, Dr. Douglas McVicar. For firefighting training, 11 members of the HFD are State-certified as "Firefighter Level I"; 3 other members hope to pass the course this spring.

By the time this report is published we expect that the town's new 1000-gallon tanker-pumper will be in the Fire Station and in service. This truck is meant to replace our 1960 International (12M3) which gave the town 27 reliable years before severe mechanical problems and rust forced it out of service in 1987. We hope the new fire truck will serve Holderness equally well.

We wish to thank the townspeople of Holderness for their continued support.

Respectfully submitted,
Tom Stepp, Clerk

Report Of Town Forest Fire Warden And State Forest Ranger

I herewith submit my report of activities as Forest Warden for 1989. The year saw the passing of our Fire Chief and Deputy Warden Clifton "Kip" Hawkins. His over 50 years of service to the Department and the community will never be forgotten, and he is truly missed by us all.

The fire activity started early with a dry and windy spring. This soon changed with constant showers and dampness curtailing any fire activity. We responded for woods and grass fires as follows;

March 29	True Farm	13 men	\$193.00
April 21	Hawkins Pond	11 men	135.00
April 23	lower intervale	14 men	168.00
Oct. 29	Mutual Aid to Belknap Mountain	9 men	429.80

Even though our fire activity was not demanding, we continue to issue a great many permits, and this keeps close control over the burning of brush by the homeowner as allowed by State Statutes. The continued manning of the Red Hill Fire Tower has proven to be a most valuable tool for our efforts in fire control. We issued permits as follows;

Fire Warden - 168 Deputy Warden - 56 Town Clerk - 150

In addition, a training session was attended by the Warden and one Deputy Warden at a cost of \$65.46.

Our expenses for equipment and repairs include our share of the manning costs for the Red Hill Fire Tower.

Town of Moultonboro	Red Hill Tower	\$1,000.00
4 tires & tubes	12F2	366.00
4 Nomex fire shirts		138.00
Repairs to Engine 2		243.25
parts to repair back packs		84.50
24 pair safety goggles		48.00
20 forestry hard hats		162.00
		<hr/>
		\$2,041.75

The people of Holderness deserve our thanks for their continued cooperation in our permit requirements and their support in keeping us properly equipped to carry out our suppression and prevention activities. The Town Officers have, as usual, given us their complete cooperation, and they too share in our thanks. We hope that in the coming year our services are not required, but if they are, we will be ready.

Please help your town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), No person, firm or corporation shall kindle or cause to be kindled any fire or burn or caused to be burned any material, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.

Violations of RSA 224:27 and the other burning laws of the State of New Hampshire are misdemeanors punishable of fines up to \$1,000. and or a year in jail and you are also liable for paying all fire suppression cost.

If you have questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

1989 Report of the Holderness Planning Board

In 1989 the Planning Board processed 14 subdivision applications and approved 11 applications. At the end of the year, 3 applications were pending approval because the required state permits had not been received. Since most of the approved subdivisions are 2 and 3 lot subdivisions, the effect on the community is minimal in all respects.

Action taken by the board:

1. Updated the Capital Improvement Program (CIP) and the Transportation Improvement Program (TIP) to reflect the current needs of the Town. Town officials and department heads have received copies of the revised CIP and TIP to assist them in supporting their operations.
2. Revision of the Subdivision Regulations to insure proper land use and to facilitate decision making by the Board.
3. Prepared all recommended changes to the Zoning Ordinance and submitted them for inclusion on the upcoming ballot.
4. Reviewed the existing Master Plan and revised the Master Plan Survey. The revised survey was distributed to all registered voters and tax payers. A gratifying 30 percent survey return rate was realized. Such participation reflects an outstanding community interest. The results of the survey will be the prime source of information used to revise the Master Plan. Olive Staples, Georgene Fabian, Fran Taylor, Laura Heath, Mary Morrill, and Sam Goodwin are commended for the excellent work they have done in reviewing the Master Plan and developing the new survey.
5. Reviewed mooring applications and made written recommendations to the Board of Selectmen.

The Board expressed its thanks to Olive Staples for the fine work she did on the Planning Board as the Board of Selectmen representative.

Respectfully submitted,
Earl F. Hansen, Chairman

Annual Report of Holderness Zoning Board of Adjustment-1989

During the year 1989, the Board of Adjustment heard a total of 16 cases, of these, 2 cases were withdrawn by the applicant, 1 was continued by the Board, 10 were approved by the Board, and 3 were denied.

There were no Special Exceptions applied for during 1989.

On October 30th, the Zoning Board regretfully accepted the resignation of Susan Webster who has been appointed to the Board of Selectmen. Sue was a member of the original Zoning Board and we want to thank her for her many contributions.

Robert Sachs was appointed to regular member of the Zoning Board on November 28th, and Olive Staples was appointed as an alternate member.

Respectfully submitted,
Bruce W. LeVoy
Chairman, ZBA

1989 Report of the Holderness Conservation Commission

The Commission concluded its twenty-first year with the majority of our time devoted to administering various wetland protection statutes and regulations. We received 64 dredge and fill applications or inquiries about the locations of wetlands, and are heartened that so much interest in their protection is being shown. It is a very good sign when developers and property owners seek us out before undertaking any alteration of a wetland area as opposed to taking a confrontational approach further down the regulatory road.

We now know things about wetlands we should have realized decades ago; they enhance water quality, provide recharge of groundwater, absorb high waters releasing them in dry times, provide wildlife cover and contribute enormously to the marine food chain.

Our wetland maps, including those designated as “prime,” are being updated and will be ready for public use in 1990. Consulting these charts is a good way to determine if a project you are contemplating might disturb a valuable wetland or require a state permit.

Commissioners also have been occupied advising property owners interested in constructing a farm pond, rehabilitating a waterfowl habitat swale, laying out a foot trail, installing a public-use wharf — even where not to build a very expensive tennis court. Other queries received have asked us how to keep large tracts of lake frontage from being developed and the need for better recycling at the transfer station among others.

Late in the year we received word from the Sanbornton Conservation Commission pertaining to the need to limit power company spraying of broadscale herbicides for right of way maintenance. We took no action other than to review N.H. Electric Cooperative policy in Holderness.

Finally, the Commission is heartened by the sudden interest in what we do. At more than one meeting we have had standing room only. The recent questionnaire sent out by the Planning Board brought back a list of several names of those willing to serve. We will be contacting you.

Report of the Park Board for 1989

Another season has come to an end and our little friends are busily studying for next year's privileges. Our beach was once again the site of many family gatherings. We are so lucky to have such a beautiful place to enjoy a summer day.

We are happy to report that our new parking sticker system and beach attendant worked well at ridding our beach of non-eligible users, many of whom come from the surrounding towns, and place an unnecessary burden on our commitment to provide a clean and safe beach for all residents and taxpayers (and their guests).

The use of portable toilets helped relieve a very stressed-out beach. Although this is not our most desirable solution, it did save us many valuable TAX DOLLARS.

At present the beach and surrounding areas are in very good condition. In the last few seasons, with the help of many good people and businesses, we have repaired and painted the dressing rooms, re-worked the sand (thanks Lyle), cleaned and re-worked the landscape and replaced our rusted old swing set.

This year's projects should consist of adding and painting a few picnic tables and the construction of a good trash receptacle. Your suggestions are always welcome and necessary! Watch for our clean up day in early June.

For the Holderness Park Board
Respectfully submitted,
Susan Lafreniere

Holderness Free Library

1989 Annual Report

During 1989, the librarian Mary Delashmit, assistant librarian Jane Blaine, and volunteers continued to serve Holderness residents and visitors of all ages. Many new books, magazines, videos, and cassettes were added to our collection to entertain and educate our patrons.

The friends of the library group continued its fund-raising for library projects. In the past year they have donated a magazine shelving unit to store and display magazines properly in the library. The trustees thank the friends for this shelving unit which should arrive at the library very soon. The trustees also thank the friends for designing a plan to rearrange existing shelving and furnishings and add additional shelving, for a more efficient and comfortable main room in the library.

The trustees welcome Dick Lovett, and thank him for his participation during his first year as a library trustee.

The treasurer reports that at the end of 1989 they had a balance of \$73.28 in an account in the Meredith Village Savings Bank and a balance of \$1,777.18 in an account in the First NH Bank.

LIBRARY HOURS (Year-round):

Mondays, Wednesdays and Saturday 10 a.m. to 6 p.m.
(Closed on official state holidays.)

ACTIVITIES:

This year we again had some very successful Story Hours organized for us by volunteers Ann Levin and Kay Hanson. Our popular Summer Reading Program was again a success, and our Volunteer Library Aides have been VERY helpful in the library. We did not have Christmas Crafts this year, as attendance had dropped off in the last few years, but we did host the Carolers after their event at the Post Office Christmas Tree. Friends of the Library provided hot chocolate and cookies, which were much appreciated.

Mary DeLashmit continues as Librarian, and Jane Blaine as Assistant Librarian. Marie Sleeper continues to be our number one helper as Senior Volunteer Library Aide. Our newly formed Friends of the Library Group has been active in getting funds for needed library equipment, and has opened a shop in the library to that end. If you are interested in joining our Friends, contact Esther Horstmann or Ellen Corless, the co-chairmen.

1989 Report of the Pemi-Baker Home Health Agency

The Pemi-Baker Home Health Agency made a total of 1066 home visits to residents of Holderness, as follows:

Skilled Nursing	393
Physical Therapy	71
Speech Therapy	5
Home Health Aide	292
Homemaker	305

Additional services offered by the Agency to residents of Holderness and nine other area towns are:

Occupational Therapy	Car Seat Safety Program
Respiratory Therapy	Equipment Loan Closet
Free Blood Pressure Clinics	"Helping Hands"
Free Immunization Clinics	Newborn Visits
Free Office Blood Pressures	I.V. Therapy
Diabetic Screening Clinic	Hospice
Maternal-Infant Early Discharge Program	

Five local people completed the Hospice Training program in Laconia and volunteer their services to the terminally ill and their families. "Helping Hands" volunteers assist in households where a person cannot be left unattended. In July the Pemi-Baker Home Health Agency was instrumental in forming the Plymouth Area Ad-Hoc Committee for Youth At Risk. This group of approximately 85 people represents local and state service agencies, organizations and groups dealing with youth of the community, and concerned citizens. Their purpose is to discuss problems of young people and coordinate services available to them in this area.

As a nonprofit agency, the Pemi-Baker Home Health Agency is dedicated to serving the home health care needs of this community. Its services are available to all regardless of ability to pay. New service demands, increased regulation and unprecedented competition for quality caregivers has added to the cost of home health care. The per capita appropriation for 1990 is \$4.04, an increase of \$.19 over last year.

The Agency Staff is happy to answer questions about their health services. Call them at 536-2232 Monday through Friday. Your representative to the Board of Directors will be glad to answer questions.

Respectfully submitted,
Lillian E. Plasse
Holderness Representative
Pemi-Baker Home Health Agency

Report of the Plymouth Area Crisis Services

Plymouth Area Crisis Services (PACS), formerly the Plymouth Area Task Force Against Domestic Violence, is a non-profit volunteer organization, which provides assistance to adult victims of domestic and sexual violence. PACS, a member group of the New Hampshire Coalition Against Domestic and Sexual Violence, serves 17 towns: Alexandria, Ashland, Bridgewater, Bristol, Campton, Dorchester, Ellsworth, Groton, Hebron, Holderness, Plymouth, Rumney, Thornton, Waterville Valley, Warren, Wentworth, and North Woodstock. PACS is the only organization of its kind in southeastern Graton County.

Since its inception in 1981, the organization has maintained a 24-hour crisis line, staffed by 25 volunteers who provide legal advocacy, temporary emergency shelter, transportation, food, emotional support services and referrals to its clients. Organization members also coordinate and conduct community outreach programs.

Providing support services to the volunteers are the three staff members: Program Director (full-time position), Administrative Director (part-time) and Administrative Assistant (part-time). All three are supervised by the seven-member Board of Directors.

In the past seven years, PAC's members have answered over 1,300 calls from all the towns it services. Many of these calls have been referred to us by the local police departments, the court, physicians, counselors and therapists. District Court Judge Edwin Kelly is also a supporter of PACS.

All services are free to any adult victims of sexual or domestic violence in the towns that PACS serves. Volunteers and staff adhere strictly to NH law (RSA 173-B:21), which requires that they maintain confidentiality with regard to persons served by them and files kept by the organization. Also, as required by law (RSA 173-C Privilege Bill), all information received by a volunteer or staff member in the course of a relationship with a victim is confidential. This law allows PACS to keep its location from being made public.

Grafton County Commissioners' 1989 Report

Unlike town and school budgets which are passed by local voters each March, the Grafton County fiscal year budget is passed by the 28-member Legislative Delegation in late June, and takes effect July 1st. The state Department of Revenue Administration determines each town's share of county taxes based on the town's proportion of total assessed valuation in the county. The town collects the tax for the county, so the town's property tax rate reflects its share of the county tax as well as town and school taxes.

In 1989 Grafton County's budget increased from \$10.1 million to \$11.2 million. The increase in the operating budget is mostly due to growing caseload and increased costs for Intermediate Nursing Home Care and the cost of staffing and operating the new jail wing. The good news is that the cost of court-ordered placements for juveniles has leveled off after increasing 160% from 1985 to 1989.

The amount of the county budget to be raised by property taxes increased from \$5.0 million to \$6.3 million, in large part because of the 1988 surplus was used to pay for construction of the jail addition and because of increased costs of Intermediate Nursing Home Care payments to the state. It should be noted that 48.5% of the county tax collected from the towns is paid directly to the state for the county share of nursing home care, old age assistance, and aid to permanently and totally disabled.

The construction of a new 30-bed minimum security unit at the County Department of Corrections was completed in March of this year, and inmates were moved in during the first week in April. Thanks to the strong hands-on management and control by Supt. Bill Siegmund and Clerk of the Works Wayne Whitney, the county managed to complete the \$1.6 million project with a \$9,197 surplus. And by using \$500,000 in surplus funds as a down payment, we only bonded \$1.1 million.

Because of increasingly crowded conditions at the Grafton County Courthouse, the Commissioners are looking into both short- and long-range solutions to the county's space problems. Working with Samyn-D'Elia & Assoc. to develop plans and projected costs, we expect to present plans early in 1990 for possible cost effective, short-term solutions, including renovating the county owned duplex house.

The Commissioners are also anticipating changes in the overall management structure of the county next year with Administrator Siegmund's retirement in June. The Nursing Home Complex (the nursing home, jail and farm) will be separated into three separate facilities with individual administrators. The Commissioners are considering the impact of this conversion on the county business office and overall county operations in order to ensure a successful response to the changes brought about by Mr. Siegmund's retirement.

The Grafton County Commissioners meet weekly on Wednesdays at the Grafton County Courthouse in North Haverhill. We encourage public attendance and welcome tours of our facilities. For further information, please call the Commissioners' Office at 787-6941 or contact Commissioners Betty Jo Taffe (Rumney), Everett Grass (Sugar Hill), or Gerard Zeiller (Lebanon).

The Town of Holderness lost two dedicated citizens during the past year. Russell Goss served as Supervisor of the Checklist for years and it's rumored he became a jolly old man in a red suit for the town's Christmas party. Lucille Hall was librarian for the Holderness Free Library for many years. Both will be missed.

Minutes of Holderness School District Annual Meeting

MARCH 21, 1989 AND RECESSED TO MARCH 30, 1989

The annual meeting of the Holderness School District was called to order at 7:10 P.M. by Moderator Tink Taylor. Mike Hayes led us in the Pledge of Allegiance. The Moderator read the rules of the meeting and introduced School Board members Jim Nourse, Lynn Decker and Bruce Leonard.

Ross Deachman moved and it was seconded to defer reading the Warrant in its entirety.

The vote was in the affirmative.

The following business was transacted.

ARTICLE 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

Mike Hayes moved, Fran Taylor seconded.

The vote to accept all reports was in the affirmative.

ARTICLE 2: To see if the District will vote to authorize the School Board to expend nineteen thousand one hundred and twenty-five dollars (\$19,125) from excess sweepstakes funds supplementally appropriated under Chapter 278 of the New Hampshire laws of 1988 and distributed to the Holderness School District by the New Hampshire Department of Education. Said expenditure is for the following purpose: \$19,125 to decrease the \$117,846 deficit.

Bruce Leonard moved, J.O. White seconded.

This deficit is due to new legislation which required the expenditure of funds to remove non-friable asbestos when the school was expanded this past summer.

An amendment was made by Ross Deachman and duly seconded that the word "projected" be inserted in front of the dollar figure of "\$117,846" and that the phrase "for the year 1988-89" be inserted following the final word "deficit"

Following discussion, the amendment passed unanimously.

The vote on Article 2 as now amended was in the affirmative.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of ninety-eight thousand seven hundred and twenty-one dollars (\$98,721) as a deficit appropriation representing over-expenditures for the removal of asbestos for the fiscal year 1988-1989.

Bruce Leonard moved, Fran Taylor seconded.

It was explained that this item is not included in the budget. There are some asbestos floor tiles remaining in the school but they are covered by carpeting, which is acceptable for the present.

Olive Staples moved the question, Patti Biederman seconded.

Motion was passed in the affirmative by the required 2/3 majority vote.

Article 3 was then passed.

ARTICLE 4: To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year, and further, to see if the District will raise and appropriate the sum of two thousand dollars (\$2,000) for such contingency fund.

Ross Deachman moved, Martha Richards seconded.

Passage of Article 4 failed.

ARTICLE 5: To see if the District will vote to authorize the School Board under RSA 198:20-b to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

Fran Taylor moved, Olive Staples seconded.

The vote was in the affirmative.

ARTICLE 6: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

Bruce Leonard moved, Lynn Decker seconded that the sum of \$2,138,725.00 be raised under this Article.

Bruce Leonard explained that the increased figure is due to just recently negotiated teachers salaries in the amount of \$44,072.00.

Willis Holland moved, Debbie Holland seconded to amend that amount, decreasing the proposed budget amounts by \$44,072.00

Discussion of teachers salaries followed.

John Richards moved the question, Martha Richards seconded.

It was passed in the affirmative by the required 2/3 majority vote.

The vote on passage of the amendment to cut the budget by \$44,072.00 failed.

Martha Richards moved, Patti Biederman seconded to increase the budget figure moved under Article 6 by \$13,000.00 for an additional half-time fourth grade teacher.

Discussion followed on the present size and diversity of the third grade class. It was brought out that there are several special needs students requiring additional counselling and tutoring.

A five minute recess was declared for J.O. White of the Budget Committee to confer with the School Board.

Following the recess additional discussion took place regarding split classes, number of full-time and part-time teachers and discipline problems.

Sally Fellows moved the question and Ross Deachman seconded.

The motion to limit debate failed.

The vote on the amendment to increase the budget by \$13,000.00 was passed unanimously.

Bruce Leonard stated that the School Board would follow the mandate of the meeting regarding splitting the present third grade class.

The vote on the total budget, as amended to \$2,151,725.00, was called for and it passed.

ARTICLE 7: To see what sum of money the District will vote to raise and appropriate to fund the increase in cost items relative to teachers' salaries and other fringe benefits for the 1989-1990 school year, which resulted from the collective bargaining agreement entered into between the Holderness School District and the Holderness Education Association which represents increases over the current salaries and fringe benefits.

Ross Deachman moved, Lynn Decker seconded to pass over this article since the subject matter had already been addressed.

The motion passed.

ARTICLE 8: Shall the School District accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the school districts of Ashland, Campton, Plymouth, Rumney, Thornton, Waterville Valley, and Wentworth in accordance with the provisions of the proposed articles of agreement filed with the school district clerk.

Lynn Decker moved, Mike Hayes seconded to table Article 8.

It was explained that this article will be voted on on March 30, 1989, a date all participating towns will vote simultaneously.

The vote to table Article 8 passed.

ARTICLE 9: To transact any further business which may legally come before this meeting.

Bruce Leonard announced that Holderness Central School is now ranked Number Three on State Standards list. He also expressed thanks to outgoing Board Treasurer, Claudia Goodwin for her work and welcomed Kathy Whittemore as the new treasurer. Toni Sweedler was introduced as the school board member and gratitude was extended to outgoing school board member Jim Nourse.

Lynn Decker moved and Olive Staples seconded to recess the Annual School District Meeting to March 30, 1989 at 7:30 P.M. in this building. So voted.

The meeting was recessed at 9:13 P.M.

MINUTES OF RECESSED HOLDERNESS SCHOOL DISTRICT ANNUAL MEETING OF MARCH 30, 1989

The 1989 Annual School District Meeting was reconvened on March 30, 1989 at 7:35 P.M. by Moderator pro-tem Ross Deachman who had been appointed by Moderator Taylor and sworn in prior to the reconvened meeting.

Jim Nourse moved, Olive Staples seconded to remove Article 8 from the table.

Members of the Cooperative School District Committee, Patti Biederman and Lynn Decker gave a presentation which explained the Cooperative School concept and the financial analysis. Questions and discussion followed concerning the town's portion of the purchase, the town's property evaluation as compared to other towns, the impact of property re-evaluation on the assessment and state aid for purchase of the Plymouth School.

Secret balloting was then held and the Moderator declared the polls closed following the vote. The state of the vote was 79 in favor of the Cooperative School Articles of Agreement, 13 opposed.

Lynn Hansen moved, Olive Staples seconded that the Annual District meeting be adjourned.

The meeting was duly adjourned at 9:05 P.M.

Respectfully submitted,
Nancy J. Ruhm
School District Clerk
Holderness

Minutes of Special Holderness School District Meeting

JUNE 28, 1989

The special Holderness Central School District meeting was called to order at 7:22 P.M. by Moderator Tink Taylor. There were approximately 25 persons present.

J.O. White moved, Don Goodridge seconded to dispense with the reading of the warrant. The motion passed.

ARTICLE 1: To see if the District will vote to rescind the authorization under Article 2 of the March 14, 1989 School District warrant to expend nineteen thousand one hundred and twenty-five dollars (\$19,125) from excess sweepstakes funds for the purpose of decreasing the \$117,846.00 deficit.

Martha Richards moved, Tony Raymond seconded.

Bruce Leonard explained that the Environmental Protection Agency has authorized a grant of \$50,000 to be applied to the \$98,000 deficit incurred by asbestos removal from the school. Discussion followed regarding implications of the vote as it pertains to other articles in this warrant and the impact on town taxes.

Tink Taylor declared a five minute recess to make copies of the warrant for the audience.

Following the recess Doris Gordon moved the question, Marty Riehs seconded. Motion to limit debate was in the affirmative by the necessary 2/3 majority vote.

Article 1 failed after a hand vote of 6 in favor, 18 opposed.

ARTICLE 2: To see if the District will vote to rescind the authorization under Article 3 of the March 14, 1989 School District warrant to raise and appropriate the sum of ninety-eight thousand seven hundred twenty-one dollars (\$98,721) as a deficit appropriation representing over expenditures for the removal of asbestos for the fiscal year 1988-1989.

Marty Riehs moved, Tony Raymond seconded.

Discussion followed concerning the vote on this article as it relates to Article 3.

Doris Gordon moved the question, Debbie Holland seconded. Motion to limit debate was in the affirmative by the necessary 2/3 majority vote.

The vote on Article 2 failed.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of one hundred twenty-four thousand one hundred seventy-seven dollars (\$124,177) for the purpose of asbestos removal, and to authorize acceptance of a federal grant of fifty thousand four hundred seventeen dollars (\$50,417) and further, to authorize the borrowing of seventy-three thousand seven hundred sixty-two dollars (\$73,762) in an interest-free loan granted to the District by the Environmental Protection Agency of the federal government for the purpose of asbestos removal.

Doris Gordon moved, Martha Richards seconded.

Doris Gordon moved to amend Article 3 as follows: To see if the District will vote to authorize the acceptance of a federal grant of fifty thousand four hundred seventeen dollars (\$50,417) for the purpose of asbestos removal.

Debbie Holland seconded the amendment.

Discussion followed on the use of these monies.

Martha Richards moved to amend the amendment to reduce the amount to \$48,617. There was no second.

The vote on the amendment passed.

The vote on Article 3 as amended passed.

ARTICLE 4: To see if the District will authorize the School Board to expend nineteen thousand one hundred twenty-five dollars (\$19,125) from excess sweepstakes funds supplementally appropriated under Chapter 278 of the New Hampshire laws of 1988 and distributed to the Holderness School District by the New Hampshire Department of Education. Said expenditure to be for the purpose of acquiring educational computers.

Article 4 was not acted upon as monies are not available.

Doris Gordon was recognized and spoke of recent NEW YORKER articles concerning the dangers of computer displays to children.

Don Goodridge moved, Marty Riehs seconded to adjourn the meeting. The meeting was adjourned at 8:45 P.M.

Respectfully submitted,
Nancy J. Ruhm
School District Clerk
Holderness

School District Warrant

The State of New Hampshire

To the inhabitants of the School District in the Town of Holderness qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said District on the thirteenth day of March, 1990 at 10:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the ensuing three years.
2. To choose a Clerk for the ensuing three years.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing three years.

Polls will not close until 7:00 PM.

Given under our hands at said Holderness the 26th day of February, 1990.

Bruce Leonard
Lynn Decker
Toni Sweedler
Holderness School Board

The State of New Hampshire

To the inhabitants of the School District in the Town of Holderness in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Holderness Central School in said District on the twentieth day of March, 1990, at 7:00 o'clock in the evening to act upon the following subjects:

ARTICLE 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

ARTICLE 2: To see if the District will vote to raise and appropriate the sum of twenty-two thousand dollars (\$22,000) for the purpose of reducing the fire hazard on the first floor (IA and home economics areas) subject to the State Fire Marshall's ruling dated February 6, 1990.

ARTICLE 3: To see if the School District will vote to raise and appropriate the sum of two thousand dollars (\$2,000) for the purpose of continuing the rural arts and artist-in-residence programs.

ARTICLE 4: To see if the District will vote to authorize the School Board under RSA 198:20-B to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

ARTICLE 5: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

ARTICLE 6: We the residents of the Holderness School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education.

ARTICLE 7: To transact any further business which may legally come before the meeting.

Given under our hands this 20th day of February in the year of our Lord nineteen hundred and ninety.

DISTRICT ASSESSMENT

Explanation of Superintendent's and Assistant Superintendent's Salary for 1988-1989

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amounts paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same...Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the Unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$55,380 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1988-1989 was prorated among the school districts comprising the School Administrative Unit. Allowance for \$2,750 travel within the Unit was also prorated as stated above.

The salary of \$44,145 for the Assistant Superintendent during 1988-1989 and travel allowance within the Unit for \$2,000 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt. Salary	Supt. Travel	Asst. Supt. Salary	Asst. Supt. Travel
Campton	16.35	9,054.63	449.63	7,217.70	327.00
Holderness	16.26	9,004.79	447.15	7,177.98	325.20
Plymouth	37.92	21,000.10	1,042.80	16,739.78	758.40

Thornton	8.17	4,524.55	224.68	3,606.65	163.40
Waterville Valley	8.67	4,801.45	238.43	3,827.38	173.40
Wentworth	4.48	2,481.02	123.20	1,977.70	89.60

Holderness Central School

1989-90 Annual Report of the Principal

To the School Board, the Superintendent of Schools, and the residents of Holderness, I respectfully submit my annual report.

Enrollment:

We opened our doors this September and welcomed 253 new and returning students. Thanks to the support of the community and the funding of the taxpayers, your children were welcomed to a fully completed, new and renovated facility. Our walkways and parking area were paved and the building was clean, bright, and prepared to welcome the students. In meeting the needs of the students and the demands of the school district, another full time third and fourth grade class were added. On the playground and in the lunchroom, our supervision of the children was reorganized. We now have a full time playground supervisor, with the assistance of two part time assistants. Our present staffing should be adequate for the immediate future, as it looks as though our growth has stabilized. This present census will give us a solid view of the enrollments for the next two to four years.

Faculty and Staff:

The following have joined our staff this year:

Ruth Harlow has joined us in Grade 2. Ruth has been teaching for many years in first grade. She has extensive training and experience in Whole Language and Math manipulatives. She has a masters from Wheelock College and a contagious spirit that captures and enthralls kids.

Stacy Frizzell is returning this year to be full time in our new third grade. She student taught here and was previously part time. She is a graduate of Plymouth State College and Holderness Central School. It is a pleasure having "one of our own" join the faculty.

Pam Fauteux joins Ms. Kellogg in teaching fourth grade. She is the new teacher in our fourth grade. Pam is an energetic, talented teacher who previously taught third grade. She has a B.A. from the University of Vermont.

Susan Duff is working with our primary age special needs students, mainstreaming them in the classroom. Sue has taught most recently in Franklin where she coordinated special education services at the elementary level. Mrs. Duff is a Masters Level Learning Disabilities Specialist.

Margaret Greenbaum works with Mrs. Duff and is responsible for our upper grades special needs population. Mrs. Greenbaum is also a Masters Level Learning Disabilities Specialist.

Valerie McQueeney is replacing Mrs. Kelley, who is on a one-year maternity leave. Val is our science specialist. She is a Plymouth State College graduate with experience and training in junior/senior high school science.

Gale Christensen returns one day a week in Guidance. Gale supplements the Guidance Services of Mrs. Wolfson, who is working on her doctorate. Mrs. Christensen has a masters in counseling from Plymouth State College and shares her time with Thornton Elementary and Waterville Valley Elementary.

Frona Avery came to us in October to replace Don Williams in Music. Mrs. Avery is an accomplished musician and has extensive experience at all grade levels. She has been an administrator in addition to a classroom teacher and restaurant owner. Her experience was gained in New Jersey, New Hampshire, and most recently, New Mexico. We welcome her, and look forward to a continuation of our tremendous music program.

Sally Lockwood, a parent and Holderness resident known to many, has taken over the position of Chapter I teacher (remedial reading). Sally has extensive experiences with various methods of Reading Intervention and remediation in Massachusetts.

Janis Messier, another parent and Holderness resident, has accepted the newly created position of Playground Supervisor. Janis brings with her a tremendous sympathy and understanding of children. She has earned the respect of the students and has their full cooperation in assuring their safety and compliance with the school rules.

Carlene White is assisting on the playground on a part-time basis. Carlene had worked at the school in this capacity some years ago. It is a pleasure to have her back with us.

Nina Huckins is a new employee in the Hot Lunch Program this year, but not a new face. She had worked as a substitute in the kitchen last year. She has a warm and caring personality that adds to the existing tremendous Food Service Program.

Michael Wallace joins Mrs. Ricciotti in Fifth Grade as a special education aide. Mike has a B.A. from Plymouth State College in Geography. His knowledge, talents and manner with kids has been an asset to the class and a great benefit to Mrs. Ricciotti.

There have also been transfers and reassignments. Sue Montour is now a Chapter I assistant, working with the upper grade students. Betty Bjerklie has moved to a half-time position as special education aide in Mrs. Floyd's kindergarten. Christel Gruz is now our full-time library aide. Pricilla Hixon is a full-time aide in the resource room. Lastly, Linda Judkins has moved to grade four as a special needs aide.

Accreditation:

This December our school was proud to receive accreditation from the New England Association of Schools and Colleges, culminating a process begun two years ago. The first year the school community spent in a self-study. We reviewed our programs, practices, curriculum, and procedures. Parents, community members, students, faculty, and staff all contributed their views. This study was put into report form and serves as the basis for review of our school. In late spring, a team of educators from around New England visited our school, reviewed our report, observed us for three days, and investigated our self-study. In the fall, this on-site team presented a report validating our self study and listing commendations and recommendations in all areas observed. This report will serve as the basis for our school's improvement plan over the next 5 years. The report will be available for review at the school and library. The New England Association of Schools and Colleges is an accrediting body charged with reviewing elementary and secondary schools and colleges and assuring they adhere to a standard of excellence and abide by a strict set of criteria governing a school's operation and programs. It is an honor to be granted accreditation and speaks highly of the school's programs, facility and our commitment to Quality Education and the development of the individual learner.

Holderness Central School

School Nurse Report, 1989

The following is a report on the health program for Holderness Central School. In this program a variety of tasks are performed to provide an environment that is conducive to maintaining the general health of all students. This is accomplished with the use of first aid, early identification of health problems and health education.

On April 13, 1989 a pre-school vision and hearing clinic was held for all 4-6 year olds at the Plymouth Area High School which is sponsored by the State Bureau of Maternal and Child Health and the Lion's Club.

On May 11-12, 1989 pre-school screening for Kindergarten was held at the school. Twenty-nine students were screened and health histories were obtained by parent interviews.

Cholesterol screenings and blood pressures were taken on 10 members of the faculty and staff on June 12, 1989 by Colleen McDermott, exercise physiologist, and school nurse.

On October 12, October 27, and November 3, 1989 Drs. Cunis and Hoyer conducted health physicals on 42 students in grades 5 and 7 and on 2 new students in grade 8. A few referrals were made at that time advising further medical follow-up.

The school dental program began on December 1, 1989 in which 76 students had their teeth professionally cleaned along with a topical fluoride application by Kathy Adams, registered dental hygienist. It is sponsored by the State Bureau of Dental Health and the Holderness Central School Health Fund.

Dental assistance was given to 2 students by the Lindsay fund.

The Lion's Club provided a vision examination and glasses for one student.

Nurse's work:	Vision tests	- 216
	Hearing tests	- 237
	follow-up	- 70±
	Heights & weights	- 214
	Blood pressures	- 99
	Scoliosis checks	- 99
	First Aid	- 1200±
	Head checks	- 700±
	Hot lunch program - acceptance or rejection of applications	

Communicable disease report: Chicken pox - 23 cases

A report was sent to the State Bureau of Disease Control in October, 1989 which indicated that all new and transferred students have met the state immunization laws. The rest of the school population has already been in compliance with these state laws.

Appreciation is expressed to all school personnel, parents, and volunteers for the cooperation and support.

Sincerely,
Linda Cowan, R.N., B.S.N.E.
School Nurse

Superintendent's Report

School Administrative Unit #48 continues in its quest to offer educational excellence to all of its students throughout the 1989-1990 school year. During these challenging times School Boards wish to thank parents, students, staff, and the administration along with all the community members who have contributed to our quest to offer our students the best education possible here in the White Mountains of New Hampshire. This year as in the past two years, School Boards continue to formulate goals and achieve goals relative to the education of our students. The 1989-90 goals established by all the School Boards in SAU #48 are indeed exciting and challenging. These goals center around curricula review, revision, and expansion in numerous subject and program areas. The strengthening of school/community relations and communication, the quest for staff and student self-esteem during the educational experience, and numerous other individual board goals related specifically to the needs of the individual school districts. The Boards are aware of the challenging times that we are currently experiencing; therefore they are extremely appreciative of the support shown by individuals in all communities involved in SAU #48.

The SAU #48 family welcomes as its newest members the Ellsworth Elementary School District, which is currently forming and also the Pemi-Baker Regional School District, which is our high school cooperative district. The Pemi-Baker Regional School District Board has been working diligently on numerous issues including the transition from the AREA high school to the Cooperative, and a formulation of a new high school budget, the formulation of a sub-committee process for Board decision making, not to mention the difficult task of naming our high school. We welcome our new Ashland High School students to the cooperative and look forward to an exciting educational experience being shared by all of our high school students. Ellsworth currently has approximately twenty students who are tuitioned in many of our local elementary schools and to the high school as well. We welcome these students as part of SAU #48.

Once again, allow me to thank you for the privilege of working with your children as Superintendent of Schools in SAU #48. Each year I am more impressed with the attitudes, the capabilities, and performance of our students within all the school districts. This year we are pursuing three bond issues involving building expansion and renovation and high school transition within the School Administrative Unit. The town of Rumney looks at a bond issue to build an addition and renovate the current Russell Elementary School. The town of Wentworth is striving for a bond issue to improve the Wentworth Elementary School and add space which will allow our program to continue and prosper. The Pemi-Baker Regional School District is pursuing a bond

issue to renovate the current Plymouth Elementary School so that this school may be transformed to high school use; as well as, renovating selected areas of the current high school building to give us the space and areas necessary to offer an excellent high school program. A great deal of excitement surrounds the completion of numerous projects this year relative to building expansion and renovation. Thornton Elementary School has finished their addition and can boast having one of the most unique elementary schools in SAU #48 and the region. Campton Elementary School and Plymouth Elementary School continue toward a summer completion date, and the projects, I think, bear testimony to excellent planning on the part of the committees and very careful observation on the part of the School Boards. These projects are indeed exciting. The Waterville Valley Elementary School expansion of a school/community gymnasium and associated classrooms was completed in February. This expansion is a testimony to community/school cooperation in developing a project which services the needs of both groups.

I wish to thank the teachers, staff, and administration along with the School Boards for their patience during this hectic time. It is sometimes difficult to experience change. I am continually grateful for the upbeat nature of the entire SAU family at this point in time and look forward to a normal period occurring when these building projects finish up and we are able to dedicate ourselves totally to improved educational programming.

The SAU this year has experienced administrative changes. We began the 1989-90 academic year with former assistant superintendent Ms. Gretchen Stubbins becoming principal of the Russell School in Rumney. At the same time, former Russell School principal, Susan Rubel moved on to Campton Elementary to become its new principal early on during the 1989-90 academic year. Susan Rubel replaced Wayne Hamel who moved on to an overseas administrative assignment. With the loss of Phil McCormack to the Keene School District as their assistant superintendent, a search began for a new high school principal which culminated with the hiring of Dr. Donald Bevelander from the Boston school system as our new high school principal. Dr. Bevelander is heavily credentialed in the area of assisting teachers with the art of teaching and improving student performance. Tom Conaty moved on to another teaching position and was replaced by David Poole as the co-principal at Waterville Valley Elementary School. The Plymouth Elementary School District welcomed its new principal in January of 1990 after an extensive search. Peter Hutchins joined the administrative team in SAU #48 to become the principal for Plymouth Elementary School moving from an assistant superintendency in the Kearsarge School District. Mr. Peter Hutchins comes to the Plymouth Elementary School with a strong background in the elementary principalship as well as tremendous experience in the central office arena. Donald Palmer, Vocational Director at the high school for

the past four years sought a change in career early in the academic year 89-90. A committee currently is engaged in a search for Mr. Palmer's replacement.

With Ms. Stubbins movement to the Russell School a search began for the new assistant superintendent for curriculum and instruction culminating in the hiring of Mr. John True, formerly the principal of Moultonboro Academy. Mr. True assumed his duties in the summer of 1989 and offers a strong background in curriculum development and educational administration. The SAU Board at its December meeting approved the hiring of a new assistant superintendent for negotiations and finance. This position is currently scheduled to be filled in June or July of 1990. The search committee is in the search process and look forward to the hiring of this position to make us more efficient and to assist us with the negotiations process.

I believe these administrative changes have been very positive for the SAU. I also believe that SAU #48 currently can boast an extremely strong administrative team. I believe these administrators will make a difference for your children in our SAU.

Respectfully submitted,
G. Paul Dulac, Ed.D.
Superintendent of Schools

Holderness School District Auditor's Report

As of February 8, 1990, we have not yet received Holderness School District's auditor's report.

Pemi-Baker Regional School Board

The State of New Hampshire

To the inhabitants of the Pemi-Baker Regional School District in the towns of Ashland, Campton, Holderness, Plymouth, Rumney, Thornton, and Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Plymouth AREA High School Gymnasium on Thursday, the twenty-second day of March, 1990 at 7:00 o'clock in the evening to act upon the following subjects:

ARTICLE 1: To see if the District will appropriate \$560,000 or any other sum for the reconstruction and alteration of the existing Plymouth K-12 School for use as the Pemi-Baker Regional School District's high school and for purchasing equipment and furnishings of a lasting character in connection therewith; to determine whether this appropriation shall be raised by borrowing or otherwise; or to take any action relative thereto.

ARTICLE 2: To see if the District will vote to raise and appropriate the sum of nineteen thousand forty dollars (\$19,040) for the purpose of paying the first year's debt redemption interest payments on the Article 1 Bond.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of eighty thousand dollars (\$80,000) to renovate the present elementary school and high school to accommodate high school students. (To be passed over if Articles 1 and 2 pass.)

ARTICLE 4: To see if the District will vote to raise and appropriate the sum of seventy thousand dollars (\$70,000) to furnish and equip the present elementary/high school for high school students. (To be passed over if Articles 1 and 2 pass.)

ARTICLE 5: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

ARTICLE 6: To see if the District will vote to authorize the School Board to negotiate and execute such tuition contracts as they may determine advisable for non-Pemi-Baker Regional School Districts.

ARTICLE 7: To see if the District will vote to establish a contingency fund in accordance with Revised Statutes Annotated 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of twelve thousand dollars (\$12,000) for such contingency fund.

ARTICLE 8: To see if the District will vote to adopt a plan for extending to employees of the school district the benefits of Title II of the Federal Social Security Act (Old Age, Survivors, Disability and Health Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapter 302 and 322 of the Laws of 1955 and to raise and appropriate the sum of one hundred seventy-one thousand nine hundred and forty-six dollars (\$171,946), to defray the school district's share of the cost thereof.

ARTICLE 9: To see if the District wishes to exclude from the plan (see Article 8) services in any class or classes of positions filled by popular election.

ARTICLE 10: To see if the District wishes to exclude from the plan (see Article 8) services in any class or classes of positions the compensation for which is on a fee basis.

ARTICLE 11: To see if the District wishes to exclude from the plan (see Article 8) services performed by election officials or election workers for a calendar year in which the remuneration paid for such service is less than \$100.00.

ARTICLE 12: If a plan for Social Security coverage is adopted, to see if the District will authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the District will designate the Superintendent of Schools as the officer to be responsible for the administration of the plan.

ARTICLE 13: To see if the District will vote to authorize the School Board under RSA 198:20-B to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

ARTICLE 14: To see if the District shall vote to name the district’s high school the Pemi-Baker Regional High School. (By Petition)

ARTICLE 15: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officials, employees and agents and for the payment of statutory obligations of the District and to authorize the application against such Aid Fund, together with any other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Given under our hands this 26th day of February, in the year of our Lord nineteen hundred and ninety.
